Rugby Development Camps

Spend five days living at the beautiful University of California, Santa Barbara campus and developing rugby skills with international and professional coaches.

Learn the latest rugby skills and tactics in a safe, fun environment. Nightly seminars in academic preparation, nutrition, strength and conditioning and drug awareness.

Join us this summer and experience rugby--and Santa Barbara--at its finest!

Ages & Divisions

We accept ages 12 & up at our Rugby Development Camps. We separate campers by age & ability level for maximum effectiveness and safety. Touch rugby will be used to develop skills and strategy when different ages and sizes mix for any big game situations.
